

Graduate Assistant for RebelADE
William Magee Center for Wellness Education
The University of Mississippi

Qualifications

Acceptance into the University of Mississippi Graduate School in pursuit of a Master's Degree in related field. *Note: Students pursuing on-line graduate degree programs will not be eligible for a graduate assistantship.* For a complete list of programs offered and application deadlines visit: <http://gradschool.olemiss.edu/apply-now/graduate-programs-and-deadlines/>

Duties & Essential Job Functions

Include but are not limited to:

- Conduct evidence-based, alcohol and drug education sessions with students who have been sanctioned to our educational program
- Conduct group and individual sessions using motivational interviewing
- Assist in maintaining communication with RebelADE participants (phone calls to set up meeting, reschedule missed appointments)
- Continue research on health topics and national trends effecting college students
- Implement assessment of RebelADE sessions for fidelity and outcomes
- Assist in programs and initiatives that focus on substance use and mental health
- Facilitate presentations on wellness topics for the campus community
- Provide general administrative support as needed

Salary Range

The position is a nine-month appointment with \$11,500 stipend. Assistantship includes 100% tuition waiver plus 100% of nonresident fee and health insurance benefits.

Application Procedure

Interested applicants should submit their cover letter, resume and list of three professional references to: Erin Cromeans; wellnessedu@olemiss.edu; 662-915-6543
